<p>At crossroads in Glington, turn right (Lincoln Road) and cross road to run on left hand side when safe to do so.</p>

After skirting Milton Estate you come to a 'T' junction, turn right, over bridge and then left to Ferry Meadows down Ferry Hill.

A right turn takes you over Milton Ferry Bridge, continue straight on to the lake and turn **Right** through gate. Continue around Gunwade Lake and through another gate.

Keeping to the path, you will go through another gate and over a wooden bridge coming to a junction keep left towards the Watersports centre. Watch out for runners coming the other way.

The finish is by the picnic bench under the old oak tree.
